

Bonaire: Summer is soon upon us and Caribbean Wind & Sun Vacations, ABK Boardsports and Jibe City has teamed up to bring a week of fun for families on this Dutch Caribbean island famous for windsurfing. Commencing July 23 ABK will present a kid only learn to windsurf camp from 9:30 AM – 12 noon. In the afternoon Camp Host Ann Phelan will offer fun non sailing events each day for kids. The activities include snorkeling, sand castle contest, and scouting for pirates treasure. All daily activities are free for clinic attendees. Other activities such as kite lessons, guided snorkeling/marine biology classes, scuba courses, kayaking and more are available for a fee. Parents may partake in the adult ABK Clinic that coincides with the Kids Camp. Bonaire is one of the easiest places to learn to windsurf thanks to on shore trade winds, shallow clear water and warm temperatures. Come feel the breeze in Bonaire.
